A VANKON CREATION....

Expression of this combination

You are mesmerized by the smile of a newborn; you wonder at the precision of a perfectly drawn line. Not a dreamer, not a realist, you synchronize your lifestyle with the demands of your heart and mind. You'll find an expression of this rare combination in the Koris 'Shine' range of cover panels. Choose from Silver & Black panels, the elegant simplicity of White, the passion and energy of Wood, the Antique Copper, Carbon Wood, Dark Wood or the Pearl-to-touch feel of Pearl Wood. The options on offer are simply a myriad. Select the one that captures your heart and sets your pulse racing.
